Headline:
Dry and mostly clear tonight. Some frost and fog patches.

This Evening and Tonight:
A fine end to the day, with dry and mostly clear conditions this evening. However, low cloud will drift in from off the North Sea overnight, which may become extensive by dawn. Risk of patchy frost and fog inland. Minimum temperature -1 deg C (30 deg F).

Sunday:
Any low cloud slowly clearing to leave a mostly fine day, with some decent sunshine. Fog is likely to persist along coastal areas, before spreading inland later. Chilly on coast. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Mostly cloudy Monday and Tuesday, with fog lifting into low cloud. Best chance of any sunshine in western parts, though chilly by night. Changeable on Wednesday, with showers likely.
